## PROFAX Welding Gun

PROFAX Welding Gun and cable can be adapted to any wire feeder. Its heavy duty 350 amp construction is designed for maximum wire feed efficiency for flux-cored tubular welding wire.

The wire feed gun's insulated gooseneck and heat shield provide for operator comfort and efficiency.

### FEATURES:

- Economical replacement components including liner
- 350 amps / 60% duty cycle
- Wide variety of wire sizes
- Easy field repair
- Adapter kits available for most models of feeders
- If required, available in other sizes
